Dear FABRICATION SPECIALTY, INC.,

This e-mail is to inform you that Lockheed Martin RMS has approved your organization for the following location and process:

Contact Email: sales@fabspec.com

FABRICATION SPECIALTY, INC. LM0029952
6530 SMOKY HILL CT
GRANBURY, TX 76049-7042

Approval Code(s):

AS 9003

The scope of this approval is being issued by the RMS business area of Lockheed Martin. Procurements performed for other business areas of Lockheed Martin not limited to Aeronautics, Space Systems, Missiles and Fire Control and LM Sikorsky may require additional surveys and/or requirements to be met.

Any changes in process, equipment, certified personnel, location and/or management used to gain approval for this process should be notified to the Supplier Quality Services organization.

Please note, in an effort to encourage applicable high performing suppliers to become efficient in acquiring Lockheed Martin acceptance. Lockheed Martin RMS is accepting NADCAP (National Aerospace and Defense Contractors Accrediation Program) certification waivers which elimnates the need to have certain surveys executed. More information about NADCAP can be found at <https://p-r-i.org/nadcap/>
